About Us

ABOUT GMK EDU

GMK EDU skills training specializes in bridging the gap and offering the alternatives to traditional learning. Focusing primarily on employable skills training and development.

We have approx. 5000 students benefiting from our group

VISION

To provide and empower learners with technical skills.

MISSION

To equip our students with trade & skills that are in demand. Our mission is to empower our students to get involved in careers where they would enjoy & be of service. GMK skills training was introduced, with just one purpose in mind – to provide professional and comprehensive training, without compromise, to our community. To empower the youth!
